Calling all volunteers!

Wall Build Event: July 8 & July 15 ~ Raise the Roof Event: July 27-29
Other volunteer workdays: September 16 & October 28

Meet the family!

Ali and Tamimo are thrilled to be partnering with the Holy High 5 build. The family has five children, all under the age of eight. Ali and Tamimo are motivated to become homeowners for their children. The parents dream of raising their children in a safe and happy environment. When the family learned of their acceptance into Habitat's homeownership program, Ali said, "We were so happy when we found out. It is all a dream come true!" To the six churches and their congregation members, the family would like to share the following message: "Thank you! We really appreciate your help. One day, we hope that we can help a family like you have helped ours."
