

# St. Agnes fundraising made easy!

## Do you want to know of an easy way to help? Here it is!

Kroger Cards are an *easy* way to earn money for our St. Agnes School Community. A Kroger Card is essentially a Kroger Gift Card. **4% of every dollar loaded onto your card will be donated to St. Agnes.** A Kroger Card can be purchased for \$5 from the school which has \$5 loaded on the card. **Therefore this card costs you nothing!**

We have approximately 1,200 families at St. Agnes. If the average family spends \$400 a month at Kroger and uses their Kroger Card to make these purchases, the St. Agnes School community could earn **\$19,200 a month, or \$230,400 a year** from Kroger Card donations!

### Annual St. Agnes Kroger dollars earned:

2007-2008: \$ 6,010.78  
2008-2009: \$ 6,157.34  
2009-2010: \$10,885.94  
2010-2011: \$13,182.19  
2011-2012: **You decide!**

### How does this work?

1. Purchase a Kroger Card for \$5 *from our school.*
2. **Load your card!** St. Agnes receives their donation when you load your card.  
This can be done 2 ways:
  - Go to the Customer Service desk at Kroger and load your card for any amount up to \$500 using cash, credit or check.
  - Prior to checking out your items, hand your card to the cashier to load your card. Ask the cashier to load your card for any amount up to \$200 (depending on your Kroger location.)
3. Shop. You can use your card for groceries, gas, pharmacy items and their wide selection of 3<sup>rd</sup> third party gift cards.
4. Pay for your items with your Kroger Card.
5. DO NOT throw away your card. Continue to reload your card and earn dollars for St. Agnes.

**You say this is simple. Yes it is.**
